

IMC Club Meeting - Mastering the Art of Instrument Navigation

EAA/IMC Club provides organized "hangar flying" focused on building instrument flying knowledge and skills. The organization network promotes a safety culture through continued education and believes that safety and proficiency are developed through education and experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. You do not have to be an instrument rated pilot to attend. For more information and to attend this event, click the link below and register TODAY!

Directions: The meetings start promptly at 7pm on the third Wednesday of each month. This meeting is at Skill Aviation at the Waukegan (KUGN) Airport. Plan on staying after the program for cookies and conversation.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
